Banks all over America have varying services available. The following tips will help you select one that will best meet your banking needs. Visit their websites listed below for information about fees, additional locations and convenient ATMs.

**Local Banks**
The following banks are located near the UT Campus. These banks *do not require an SSN* to open an account; however, you will need official documentation, such as a Texas State ID, Driver's License, Student ID, Passport, or Tax ID# to open a new account.

**University Federal Credit Union**

**Questions to ask when choosing a bank:**
- What identification and documents do I need to open an account?
- How much money is required to open each type of account?
- What kind of checking, savings, or money market accounts does the bank offer?
- What is the service charge?
- How much interest does this type of account gain?
