FINDING A MEDICAL PROVIDER
Using the Blue Cross/Blue Shield Online Provider Finder

Access the Provider Finder Online
- Through your Blue Access account at bcbstx.com, or
- Directly online at http://public.hcsc.net/providerfinder/search.do?corpEntCd=TX1, or
- Through the BCBS Texas “Find Doctors” app on your smartphone

Search Page 1 Example:
- Network type: PPO
- Provider Type (if you are not searching for a specialist):
  - Type: Primary Care Physicians
  - Specialty: Family Practice

Search Page 2 Example:
- On the left side of the webpage, you can narrow down your search by language, gender, office hours, and more:

Note: In most non-urgent cases, you will first seek care from University Health Services or your primary care physician. You may then be referred to a specialist as necessary.
